Vet visits/shots-worming record: See health record provided

Vet checked by Dr. Justin Sellon - Wakarusa, IN (574) 862-4995

The within-described puppy is guaranteed to be in good health to the best of the Seller’s knowledge at the time of delivery.

Buyer understands that because Goldendoodle, Labradoodle and Bernedoodles are a cross-breed and are not a “standardized breed” the dog is not guaranteed to hypoallergenic or low shedding; and no guarantee is made regarding size, weight or coat types when grown. Seller has endeavored to make the best match possible between puppy and Buyer.

1. Five-Day Wellness Guaranty Period. Seller has instructed the Buyer to have the puppy checked by a licensed veterinarian within five days of purchase. If the veterinarian finds anything that is **life threatening** with the puppy, it will be exchanged for another puppy of equal value if available or a refund given provided a letter from the examining vet is offered as evidence of the puppy’s illness and the puppy is returned within the guaranty period (or acceptable arrangements have been made with the Seller). Common puppy ailments such

as giardia, clostridia, coccidia, viral illness, parasites are not covered in this guaranty. This puppy has been examined at ____ weeks of age by Seller's vet and all common puppy illnesses/issues have been addressed and preventative measures taken.

Any signs of depression, lethargy, lack of appetite or desire to drink water, diarrhea (particularly with mucus and/or blood) vomiting must be reported to the breeder and your vet immediately.

2. Four- Month Puppy Protection Period. Buyer understands that Seller has instructed Buyer not to take puppy to public places (including but not limited to, parks, neighbors, pet supply stores, puppy classes/training, etc.) frequented by other puppies or dogs until the puppy has received it's final round of shots (16 weeks of age). This is for the health of the puppy and to avoid contact with areas where infected or unvaccinated dogs may have been or may be present with such illness/bacteria/fungus causing parvo, giardia, chloestrida, coccidia, etc. might be present. This is to protect the puppy and could save the puppy's life. Any illness contracted from the Buyer's decision not to follow these guidelines will void this guaranty.
 3. Twenty-Four Month Guaranty Period. If the within-described puppy is diagnosed with hip dysplasia or a congenital disorder that is life threatening or greatly diminishes the dog's quality of life and that is identified within the 24 months from the puppy's date of birth, Buyer will have the option of receiving either:
 - A replacement puppy from the next available litter of equal gender/color/breed and generation
 - Monetary reimbursement up to the purchase price of the puppy/dog for veterinary expenses related to the treatment (does not include reimbursement for food). Paid vet bills to be provided by Buyer to Seller, (said refund to paid no later than from the next subsequent litter bred by Seller, at Seller's discretion).
 - Owner's of donated dogs are not eligible for any monetary reimbursement but are eligible for a replacement puppy.
- * What is covered: Seller guarantees your dog for 24 months from the date of birth for:
- Hip Dysplasia (HD) and /or Elbow Dysplasia (ED). The diagnosis of hip dysplasia (mild, moderate or severe), or an elbow dysphasia rating of Grade 2 or Grade 3. X-rays to be taken by a licensed DVM and submitted to the OFA. Copies of report(s) to be provided to Seller.
 - Eye Disorders. Congenital defect of the eye causing progressive blindness in one or both eyes and/or requiring surgery or ongoing medication, as diagnosed by a Veterinary Ophthalmologist. (Proof to include copies diagnosis and treatment documentation from a Board Certified Veterinary Ophthalmologist).
 - Cardiac (Heart) disorders requiring surgery or a heart disorder requiring life-long medication diagnosed by a Board Certified Canine Cardiologist.
 - Von Willebrand's Disease (vWD) blood disease. Proof submission to include verification by VenGen using a DNA test for vWD.

- A hereditary/congenital disorder that is life threatening or greatly diminishes the dog's quality of life, diagnosis to be verified by a lab or expert with knowledge in the field and proof is submitted to the Seller.

* What is NOT covered: This warranty does not include viral illnesses, infections, improper bites, hernias, hypoglycemia, worms, giardia or coccidiosis. It also does not include any illness due to the ingestion of foreign objects, food, plants, chemicals or other items, physical injury or issues whose cause is unknown or may have been an environmental link or illnesses from unknown causes that are not preventable by genetic pre-screening, including but not limited to, cancerous growths. Not included in this guaranty are health problems arising from trauma, abuse, or failure to maintain general health care of this dog (including allowing this dog to become overweight). Also not included is injury to joints or bones from over-exercise. Veterinary records must be provided to Seller if requesting refund or replacement. Under no circumstances shall the Seller be liable to the Buyer or to any third party for a dog that has been subjected to abuse, accident, negligence or misuse. Also under no circumstances shall the Seller be liable for any consequential incidental or special damages resulting from or in any manner related to this dog. This warranty does not cover any behavioral issues that the Buyer experiences after taking possession of the puppy. Basic obedience training is encouraged.

All refunds are cumulative and once the full purchase price of the puppy has been refunded to the Buyer for whatever cause the warranties expire and the Seller has no further monetary obligation to the Buyer.

4. Buyer's Responsibilities - Buyer agrees to:

- Feed a quality dog food
- Maintain the dog in good health, provide routine preventative health care including but not limited to, inoculation, parasite control and preventative medication
- Not allow the dog to become overweight or over-exercised
- Not to be kept outside overnight
- Never turn the dog over to a shelter or rescue
- Notify Seller if Buyer must re-home the dog

5. Non-Transferable: This guaranty is not transferable and is between the Seller and the original Buyer only.

6. Release of Liability: Buyer hereby forever releases and indemnifies the Seller from any and all claims of liability, whether known or unknown at this time or for which claim may arise after the signing of this Agreement.

7. No Other Warranties: It is further understood and agreed that no warranty or representation has been made with respect to the described puppy except as set forth herein. Buyer agrees to hold Seller harmless and free from any liability from the time Buyer has taken possession of the puppy.

This guaranty is void if this agreement is not signed and postmarked (either by U.S. postal mail or email) within 10 days of its receipt.

8. Entire Agreement: This Agreement represents the entire Agreement between parties and there are no other agreements, expressed or implied unless included in the Agreement or by writing signed by both parties and made a part hereof.

Buyer has read the above and agrees by said conditions.
