

STUD SERVICE CONTRACT

FAWN RIVER KENNELS

(hereafter "stud's owner") _____ and

(hereafter "female's owner") _____

Address: _____

Email address: _____

Phone: _____

Here by agree to the following terms concerning the breeding of the
two dogs listed below:

Stud: _____

Female: _____

The female's owner will pay the stud's owner a deposit fee of \$150.00 at the time of drop off. This fee is non-refundable in the case that there isn't a tie either due to miscalculated dates, split cycle, female being uncooperative or for whatever reason. If there is a successful breeding (a "tie" is to be considered a successful breeding) the female's owner will pay the remaining fee of \$_____ (minus the deposit fee). A negative Brucellosis test and shot records are required before the female can be left in the care of the stud's owner. The female's owner will provide any food, medication or special dietary requirements for the female. You are welcome to send blankets, beds and toys to make the stay more comfortable.

A successful litter is defined as 1 or more living pups born and living at least 3 days. If a successful litter does not occur, the female will be bred during her next season, providing that the stud's owner is notified within 10 days of the failure to whelp. If the second attempt fails this contract will be considered void. You must use the free service with the same female.

The stud's owner and the female's owner verify that their respective dogs are capable of breeding and do not suffer from any contagious conditions including but not limited to parasites, rabies, DHL, parvovirus or brucellosis.
